

"Two are better than one; because they have a good reward for their labor. For if they fall, the one will lift up his fellow; but woe to him that is alone when he falleth; for he hath not another to help him up."

Ecclesiastes 4:9-10

The fall has arrived..., so all the activities within our projects have started again. Kids and staff came with new strength. It is a special time of returning to work with new ideas and enthusiasm! There's a long way ahead... There are kids who were eager to return and we feel great responsibility for them!

Surely, the most wonderful event of this fall was YFCM's trip to **Regional Conference held by YFCEE** in the city of Minsk, Belarus. We had a wonderful and blessed time alongside the YFC Eastern Europe team.

We had plenty of spiritual food in the mornings and evenings. Also, we participated at seminars for personal and spiritual growth. The strong point was the activity of Teambuilding. Since the

very first day we had many practical exercises, we've learnt how important teamwork is. It truly was a special time!

When we got back to Moldova, we started our preparations for fall seminar for day care centers staff of the entire country. We do such kind of seminars twice a year – in the fall and in the spring. Seventy-five people of all ages came to the seminar: young and aged people altogether. During the training, we've learnt how important teamwork is for any kind of ministry.

Being inspired by the activities from Minsk, we've offered our participants the chance to test their unicity and local team functionality via practical exercises. Participants were very happy, full of energy and with new ideas on how to improve their local teams and activities at day care centers.

Participants say:

"It was a great experience"; "Surely we'll implement these kind of activities with our children at day care center"; "Due to this seminar, I realized how important is to be a team player, I realized how important is every team member".

It was a nice experience for us as well, for those who organized this energetic and special seminar! We pray that this would truly have a positive impact upon those who participated!

Pray for our **Day Care Centers**, for children at risk, for **"Come and See"** day care center for children with special needs, **"Oak House"** project and for the entire YFCM team! God bless each one of you!

Kind regards,
The team of **"Youth for Christ Moldova"**
